

STUDIO 13

BEING DIGITAL IN A HISTORICAL SETTING

BEING DIGITAL IN A HISTORICAL SETTING

We open our virtual doors and have set up a studio for online events in the exclusive ambience of Palais Niederösterreich - the "Studio 13". Derived from our location at Herrengasse 13 in the heart of Vienna.

Historical building

Stage

Professional lighting

Event technology

All-in service

With our "Studio 13" your event is a memorable one - whether in public, online or even as a hybrid event. We offer state-of-the-art technical solutions in a historical setting for every occasion.

BEING DIGITAL IN A HISTORICAL SETTING

Digital is the new analog. The digital age has found its way into the event industry a few years ago. Our state-of-the-art event technology turns each of our event rooms into your personal "Studio 13" - for hybrid events or online events.

You are planning a product launch, conference or sales meeting with your national or international team? Whether online, hybrid or on the spot - we offer more than an exclusive atmosphere. Let our all-in service convince you!

POP-UP STUDIO IN THE CONFERENCE CENTER LAXENBURG

Of course, our know-how, the equipment and the historical chic are not only available in the Palais Niederösterreich! Our Conference Center Laxenburg is also well equipped for every type of event - online or offline, conference or concert, small or large - we are your partner!
